A continuation application claiming the benefit of an earlier filing date of the above-referenced application was filed yesterday, August 14, 2006, and assigned Serial Number 11/464,473. A two-month \$450 extension fee was filed together with the continuation application via EFS-WEB on August 14, 2006. Applicant points out that the \$450 extension is applied to the parent application, which is the above-reference case 10/717,885, to preserve copendency after the expiration of the shortened statutory response deadline on June 14, 2006, and not to the child case 11/464,473.

A copy of the fee payment sheet together with the transmittal sheet and acknowledgment receipt of the continuation application is enclosed with this letter.
